AIC A1/2019

15 MAR 2019

CHANGES IN THE AIP

Pursuant to the fulfilment of all legal requirements for entry into force of the Final Agreement, i.e. Prespa Agreement, signed by Macedonia and Greece on 17 June 2018, and the Constitutional amendments (Official Gazette of the Republic of Macedonia, No. 6/2019), commencing 12 February 2019, the new Constitutional name of the Republic of Macedonia, from now on, shall be Republic of North Macedonia. The Government of Republic of North Macedonia issued guidance materials to all State Authorities to take necessary measures for implementation of the new Constitutional name of the country.

As the AIP of Republic of North Macedonia is a State-owned document issued by the Civil Aviation Agency these changes are applicable to it. Since the publication of a completely new AIP issue is a major and time consuming task it was decided that the relevant changes shall be implemented in a step-by-step manner, with each subsequent AIP AMD or AIRAC AMD being published with the new name until the decision is made to publish a new AIP issue with all amendments incorporated.
